## WALK FOR IMMUNODEFICIENCY PLEDGE FORM

**First name:** \_\_\_\_\_ **Last name:** \_\_\_\_\_

I plan to walk/run at least \_\_\_\_\_ kilometers for ImmUnity Canada's Walk for Immunodeficiency in [provide location e.g. city] \_\_\_\_\_

ImmUnity Canada works to empower individuals with an immunodeficiency to live well. All proceeds will help ImmUnity Canada continue to provide support to the thousands of individuals diagnosed each year through education, support, advocacy and research. We also support caretakers, including family members and friends, and work closely with health professionals to improve diagnosis and access to life-saving treatments. You can help me raise funds by sponsoring me for an amount per kilometer and you can name a maximum amount that you are willing to contribute.

**After my walk, the best way you can make a donation is by donating [online](#), or by cheque.** All online donations, and cheque donations over \$20 are tax deductible and you will be issued a tax receipt. Please make cheques payable to the Canadian Immunodeficiencies Patient Organization or CIPO and include "Walk for Immunodeficiency" in the memo. Donations by cheque must be mailed to the ImmUnity Canada office:

**ImmUnity Canada**  
**206-645 Fort St**  
**Victoria, BC, V8W1G2**
